

ABOUT FSA

Family Services Australia supports clients on their journey through life challenges and developments, with multi-disciplined services that include: Workforce Australia; Disability Employment Services; Career Transition Assistance, Child, Youth and Family Services; Health, Wellbeing and Psychology Services.

Our Consultants work within the community, building and fostering relationships with Job Seekers, Employers, Community Groups, HealthCare and Allied Health Care Professionals, Advocacy Groups and others to ensure that our clients receive not only assistance in securing and maintaining employment, but also holistic support so that they can thrive, both professionally and personally.

We offer culturally appropriate services for Culturally and Linguistically Diverse (CALD) and Aboriginal and Torres Strait Islander peoples.

HOW WE SUPPORT YOU

Career guidance and mentoring

Work experience, job placements and post-placement support

Support to help you get the tools and skills you need to find and keep a job

Support to navigate and access the Government digital platforms to manage your mutual obligations and look for jobs

"The staff of FSA are always so professional, courteous, extremely helpful and always positive. Thanks to my consultant's insights, I found employment within two weeks of following her suggestions."

Family Services Australia is committed to breaking the cycle of disadvantage and advocates that all people have the right to participate in the workforce and community.

Our services are underpinned by our core values:
